Without permission, no alterations should be made on the uniform except the following:

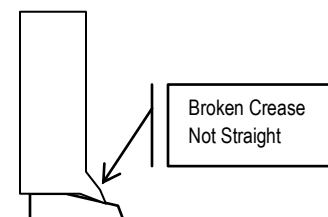

Pant length

- ✓ Remove any existing hems (with a medium temp. iron, you may remove the resulting crease.)
- ✓ Put on your pants
- ✓ Adjust the suspenders so that they fit appropriately in the seat and crotch (skipping this step will result in ill-fitting pants)
- ✓ Put on your uniform shoes. (If uniform shoes are not available, dress shoes would substitute)
- ✓ Have someone turn up and pin the bottom.
- ➔ **The bottom of your pants should touch the laces on the top of your shoes without breaking the front crease.**
- ✓ Have the pants lightly hemmed. (You may lightly iron the crease at the bottom)
